The 27th of May 1827

My very Dear Brother at a quarter Meeting occasion  
here at Putlidges meeting house I have seen and formed  
a very short acquaintance with a brother not long from  
Europe and understanding he expected to see you  
I have took a few moments to put you in mind of  
my friendship for you as the first of my Brethren  
that began to draw me to my present repose and how  
does my mind swell with thankfulness when I recollect  
over all the dear servants of God that has been the  
instruments of helping me to see the way and I hope to get  
along at last to join long with all the glorified company  
above where my Dear friend if I never see you in this world  
I expect to meet with you and all those who have been made  
beneficial to me here and spend an eternal Day where we shall  
see our fathers face and be forever assimilating into his likeness  
through the boundless ages of eternity

the dearer Brother Thompson being capable to give you  
information of the state of the church here will supersede  
the necessity of my taking up time upon that subject  
You will be pleased to hear that my wife rather exceeds me  
in her attachment to the methodists four Daughters are members  
and I still hope the Lord will bring in and fit more in this place  
for his heavenly Kingdom

Dear Brother we can say no more but join in our kindest respect  
and Christian affection for you and family and all both white and  
colored who love our Lord Jesus Christ

Brother I add no more

Yrs Scott
